

# Innovate UK

We are a key delivery body of the UK Government's Innovation Strategy

We support business-led innovation in all sectors, technologies and UK regions

## Our Mission

To help UK businesses grow through the development and commercialisation of new products, processes, and services, supported by an outstanding innovation ecosystem that is agile, inclusive, and easy to navigate

# UK Research and Innovation

**UK Research and Innovation (UKRI)** brings together the seven Research Councils, Innovate UK and Research England.

We work with the UK Government to invest over £7 billion a year in research and innovation by partnering with academia and industry to make the impossible, possible.

Through the UK's nine leading academic and industrial funding councils, **we create knowledge with impact.**

Innovate UK drives productivity and economic growth by supporting businesses to develop and realise the potential of new ideas including those from the UK's world-class research base
