# About Austrade

The Australian Trade and Investment Commission (Austrade) is Australia's trade and investment agency.

We are experts in connecting Australian businesses to the world and the world to Australian businesses.

Austrade is the national point-of-contact for investors. We partner with state and territory governments to provide the information and contacts you need to establish or expand a business in Australia.

We help companies around the world to identify and take up investment opportunities in Australia as well as to source Australian goods and services for their global supply chains.

# How Austrade can help UK Companies

- Initial coordination of investment enquiries and assistance
- Information on business and regulatory environment
- Market intelligence and investment opportunities
- Identification of suitable investment locations
- Introductions to specialists, professional service providers, states and territories and R&D partnership opportunities
- Information on government policy/ programs/ initiatives
- Support for visit programs in Australia
